Re: **Position Available - Draftsperson**

Bath Stewart Associates was established in 1982 and has grown to become a multi-disciplinary surveying consultancy. We provide surveying, urban, and rural planning, civil design and project management to Tamworth and the surrounding areas.

We are currently looking for someone to join the Bath Stewart Associates team and fill the vacancy as a Draftsperson. For the right candidate, openings may be available with opportunities for tertiary education support pathways through either TAFE NSW or University.

As a survey draftsman for Bath Stewart Associates, you will have the opportunity to be at the forefront of many of the regions exciting infrastructure projects, with work currently being carried out for various companies and organisations including; TPE, KCE, McCloy Group, Tamworth Regional Council, GJ Gardner, Toro Homes, Perry Homes, Single Builders, Windmill Downs, McDonalds, Aldi as well as various other entities, both large and small.

Job Description & Key Responsibilities

- Experienced draftsman with a background in civil drafting and 3D modelling
- Proficient in AutoCAD as a minimum, with Civil 3D experience being an advantage
- Create 2D/3D drawings with a high level of precision and attention to detail

Skills and Attributes

- Engineering Drafting IV qualification or similar would be beneficial
- Follow WH&S procedures and hold OHS induction white card.
- High levels of computer skills & high attention to detail with fast and accurate design skills
- Practical implementation experience and skills
- Willingness to use new equipment and processes
- Excellent communication skills & must work well independently & in a team.
- Knowledge of AutoCad and Surveying equipment is highly regarded but not essential
