Fieldhand – Full time

Bath Stewart Associates

About the company

Bath Stewart Associates was established in 1982 and is a multi-disciplinary surveying consultancy. We offer surveying, urban and rural planning, civil design, and project management services in Tamworth and the surrounding areas.

About the role

We are seeking a candidate to join our team and fill our Fieldhand vacancy. Our Fieldhand personnel are responsible for efficiently and effectively providing high-quality and confidential support to the Surveyor, Technicians, Engineers and our Drafting team.

Skills and Experience

- Normal colour vision;
- Enjoy working with technology;
- Good with numbers;
- Aptitude for working with computers;
- Able to work neatly and accurately;
- Able to work as part of a team;
- Valid Driver's Licence – Ability to drive a manual vehicle

Specifics

The successful candidate will need good communication skills, be able to take instruction and work under pressure. Attention to detail is crucial in this role, so a strong affinity for noticing and addressing even the smallest of details is essential.

Please email a cover letter and resume to accounts@bathstewart.com.au

Should you have any specific questions, please get in touch with the Bath Stewart office on (02) 6766 5966.
